## Early Years Foundation Stage

### Weekly Newsletter

Dear Parents/Carers,

Welcome back to a new half term and what an exciting half term it promises to be. Nursery children have been eagerly preparing for their upcoming Mother's Day assembly which will be held on Friday 9<sup>th</sup> March. The children have been learning new songs and lines and can't wait to impress their families at their special assembly. Reception have a busy term too and will be starting to prepare for their upcoming trip to the Transport Museum. Wonderful junk modelling transport creations were made over half term and they are fantastic. Thank you for your support in helping the children prepare these. If you haven't returned the 'Stay and Play' survey, please return it to your class teacher.

**Our top tip for talking this week is:** To allow your child to take the lead when you play together – this will keep them motivated and they'll develop crucial thinking and language skills through their play.
