## Early Years Foundation Stage

### Weekly Newsletter

Dear Parents/Carers,

A massive well done to Nursery on their fantastic Mother's Day Assembly this morning. The children were just spectacular and Miss Keeshan and I were so proud of them all. Thank you for supporting the children with their lines and songs at home. Friday was also special for another reason – World Book Day celebrations. Everyone made such a wonderful effort with their costumes and the day was full of magic and learning. Thank you to those who returned the 'Stay and Play' surveys. Following on from parent suggestions we have decided to share a 2 minute weekly summary of what we have been learning in order for you to consolidate at home. We hope you find this time useful.

**Our top tip for talking this week is:** To think out loud– talk to your child about what you're doing and when you're doing it, that way they will begin to match what they hear to the object or the action that you're talking about.
