

# Weekly Newsletter

## Lower Juniors

Dear Parents/carers,

What another busy week it has been in Year 3 and 4! Thank you to all the parents who joined us for Stay and Learn this morning. It was great to see so many of you supporting the children in the classroom and hopefully taking away some ideas to try at home!

### Year 3 Scientists

This week the children in Year 3 have been learning all about different forces. They explored the effects of friction by investigating which surface material allowed or prevented a toy car from rolling down a ramp.

### Sapphire Class Prayer Service

Thank you to all the parents who joined Sapphire Class for their prayer service on Thursday morning, which celebrated Candlemas. The children linked their service to 'Mission Day' by sharing their special gifts from God.

**Don't forget to try our new Maths Problem of the Week!**  
You can find it on our website and school twitter page!

**Remember to Include your name and class.**

**Good Luck!**

**Well done to Tara who won our 1st problem of the week!**

### Maths News

Next Friday we will be taking part in the NSPCC 'Take part and make numbers count' fundraising day, with the morning spent focusing on number related tasks and challenges. The children are invited to make a donation and come to school dressed as a number or wearing an item of clothing with numbers on.

### Upcoming dates for your diary:

Friday 2nd February	Please join Year 3 for First Friday Mass at 9:30am Green Class—St Joseph's Emerald Class—St Gabriel's
Friday 2nd February	Numbers Day—remember to wear something with numbers on!
Tuesday 6th February	Gordon Brown Parent Meeting for Year 4 parents—6pm

Have a lovely weekend,  
Miss Elliott  
& the Lower Juniors Team

### Well done to our Stars of the Week!
