

Weekly Newsletter

Key Stage 1

Dear Parents/Carers,

It has been a busy week in Key Stage 1 this week. Here is an outline of what we have been up to and the things we look forward to next week:

Our Mission Day Work

Thank you to those of you who came to see all of the hard work that we did last week during our Caritas Mission Day. It was great to share the different activities that we took part in and even better to receive your feedback. We look forward to seeing you for 'Stay and Learn' next week.

Year 2 Science Trip

Year 2 fuelled their imaginations and immersed themselves in a world of wonder at the most spectacular interactive gallery that we have seen! There were over 50 mind-blowing exhibits, shows and demonstrations for the children to enjoy which enabled the children to explore chemistry, biology and physics at its very best.

Smiles were imprinted on the children's faces as they jumped from activity to activity. A big thank you to those who came

and helped ensure a safe and joyful trip!

Diamond Class Liturgy of the Word

This Thursday, Diamond Class celebrated their class Liturgy of the Word. For it, they prepared the First Reading and Responsorial Psalm. During the Bidding Prayers, they thought about those that volunteer in the church and those less fortunate than themselves. During the Homily, Father Pat asked the children to try to see Christ in others and to show kindness and love towards everyone. They sung three beautiful hymns and enjoyed some

uplifting percussion.

Up and coming dates for your diaries:

Friday 26 th January— 8.45-9.15am	Stay and Learn
Friday 26 th January— 9.30am	Amber Class Assembly

Have a great weekend,

Miss Rees & the Key Stage 1 Team
