Key Stage 1

Dear Parents/Carers,

It has been a busy week in Key Stage 1 this week. Here is an outline of what we have been up to and the things we look forward to next week:

Amber Class Assembly

Well done to Amber Class on a very successful assembly. The children entertained their audience with lots of amazing acting, singing and dancing. There was even a fashion show in amongst it all! Amber Class used the learning they have been doing about Year 1's current topic, Pole Apart, to help the holiday makers find out all about their desired destinations.

Well done Amber Class!

A visit from Father Pat

This week Father Pat visited Year 2. In their sessions Father Pat explained why we go to Church on Sundays and who Jesus' first disciple was. He then explained what a parable is - a story with a meaning and retold the Parable of the Sower and the Parable of the Bags of Gold which the children really enjoyed. Finally, he shared all of the reasons why he became a Priest and even told the children what his favourite hymn is. What a lovely way to spend the morning!

Maths Problem of the Week

Seek a challenge and look on the school's Twitter account or on the Maths News section of the school's website for the link to the Maths Problem of the Week. Once you have solved the problem, don't forget to include your name and class for a chance to win a prize in next week's assembly.

Up and coming dates for your diaries:

Thursday 1 st February	Yellow Class Liturgy – 9.30am
Thursday 1 st February	Orange Class trip to London Aquarium..
Friday 2 nd February	Stay and Learn
Friday 2 nd February	Number Day – All children to come to school wearing something with numbers on it. Please bring a donation in support of the NSPCC's number day.

Have a great weekend,

Miss Rees & the Key Stage 1 Team
