## Key Stage 1

Dear Parents and Carers,

Here is an insight into what we have been up to this week in Key Stage 1 and all the information you need regarding next weeks events:

### World Book Day

This Friday, we were so excited as we opened our classroom doors and were greeted by Gruffalos, Tin Men, Umpa Lumpas amongst many others. Over the morning, the children had the opportunity to discuss their favourite books and characters. Year 1 and 2 then joined forces to share their favourite stories with one another. Thank you for all of your contribution to yet another successful World

Book Day. A big congratulations to the winners of the golden tickets: **Dominic (Amber Class), Isabella-Mia (Orange Class), Reece (Diamond Class), Ella-Rose (Yellow Class)**

### Maths Workshops

Thank you to those of you who joined us this week for our Maths workshops. It's great to share the practical ideas, methods and activities that we use in school with parents and carers. Our final Maths workshop will take place next **Monday 12<sup>th</sup> March** and we look forward to seeing as many of you there as possible.

### A Prayer for Mothering Sunday

Thank you God for the love of our mothers. Thank you God for their care and concern. Thank you God for the joys they have shared with us. Thank you God for the pains they have borne for us. Thank you God for all that they give us, through Jesus Christ our Lord.

**Amen.**
