## Key Stage 1

Dear Parents and Carers,

We hope you have had a great week as (dare I say) the sun has begun to shine. Here is an outline of this weeks events and everything you need to know for next week:

### School Kitchen Opening

What a treat the children had this Tuesday when their grown-ups came to join us for lunch! It was great to see the children sharing their lunch experience with their family members and celebrating the opening of our brand new kitchen.

There were certainly lots of smiles on the very impressed adult faces too!

### Maths Workshops

Thank you to those of you who joined us this week for our final Maths workshop. We have really enjoyed spending the last few weeks sharing our methods and activities with you. Please feel free to speak to any of the team should you have anymore questions.

### Young Speaker Challenge

Well done to Harry (Yellow Class) and Lucy (Diamond Class) who did a brilliant job at representing Year 2 in this year's Young Speaker Challenge. Check out the school's Twitter page for the TV News Club's coverage of the afternoon.

### Happy Saint Patrick's Day

We have had a lovely day celebrating St Patrick and all things Irish. There was a sea of green in Key Stage 1 today and lots of smiling faces as the Irish music filled the air.
