Key Stage 1

Dear Parents and Carers,

Can you believe that it is the last week of Spring term next week? Where has the term gone!

Science Week

This week we celebrated Science week. The children carried some excellent research of different scientists over time and created amazing fact files, posters and information sheets all about them. In our classes we carried out different science activities. As part of our Animal Science Topic, Year 1 researched the features of obscure animals. They used technology to find out what the animals ate, their habitats and their physical features. Year 2 researched the lifecycle of a plant and represented this in diagrams,

Key Stage 1 loves Science!

Spring Chickens

Year 1 are getting in the Easter Spirit. We made egg nests as part of our English work. The children first identified the features of an instruction text. They then worked together sequence the instructions for making the cakes and add the important model verbs. After that, they put the instructions to the test and used them to make the cakes. The result was in the huge smiles on the children's faces as they got to taste them.

St Joseph's Day

This week we celebrated St Joseph's Day. Key Stage 1 attended mass at St Joseph's. During the mass Fr. Pat showed us a bag filled with different things, such as a saw, a drill, a chisel. The children used their inference skills to figure out that they belonged to St Joseph. St Joseph was Jesus' foster father and we remember the special guidance and support that he gave Jesus as he grew up. We thank God for our fathers and carers and are grateful for the ways in which they guide and nurture us too.

Calling Parent Readers

We are looking for parents and carers would like to volunteer their time to support children in Key Stage 1 with their reading. If you are interested in doing so, please speak to Miss Rees or your child's class teacher.

A Prayer For Palm Sunday

God of all, You entered Jerusalem and were celebrated, worshipped, adored.

Help us to worship as those who laid their palms before you. We offer to you all that we are and all that we have. In this holy week, may we fix our gaze on the sacrifice you made and worship your name. Amen.

Here is some key information for your diary :

Thursday 29th March School closes at 1pm for Easter Break

Have a lovely weekend, Miss Rees & the Key Stage 1 Team
