

Friday 23rd March

Weekly Newsletter

Lower Juniors

Dear Parents/carers,

Resurrection Rock!

Parents and carers are invited to the Easter Production on Wednesday 28th March. The children have worked extremely hard learning their lines and songs and are looking forward to performing to their audiences next week!

Science Week

The children produced some excellent science homework. We have enjoyed sharing all of the research and interesting facts about the different scientists. It was great to see the children so engaged in their learning— the teachers also learnt lots of new facts too!

Parent Readers

If any parents are available to come into school and read with the children in Year 3 and 4 we would greatly appreciate your time! Please speak to your class teacher or Miss Elliott.

Sponsored Bounce!

Unfortunately due to the icy weather the much anticipated sponsored bounce was cancelled. We will inform you of the new date as soon as possible—so there is still time to collect your sponsorship money!

St Joseph's Day Mass

This week we celebrated a special mass as it was St Joseph's Day. During the mass Fr. Pat showed us a bag filled with different things, such as a saw, a drill, a chisel. The children used their inference skills to figure out that they belonged to St Joseph! During the mass we were encouraged to thank God for our fathers and carers and remember the guidance and support they give to us.

Up – coming dates for your diary:

Wednesday 28th March	Easter Production Sapphire Class supported with Emerald Class choir 9:30am Blue Class supported with Green Class choir 1:30pm
Thursday 29th March	School closes at 1pm for Easter Holidays
