Weekly Newsletter

Upper Juniors

Dear Parents and Carers,

Let's find out what our children have been getting up to this week...

Safer Internet Day

This week, Year 6 explored what it means to be safe online paying particular attention to social media. The school has just launched a new app called PopJam. This app's sole focus is keeping children safe on social media and does not allow them to share personal information - including selfies. Our trusty digital leaders were on hand during the morning to help us get to grips with it.

Maths Problem of the Week!

To see our problem of the week, visit our school website, select 'Maths News' and click on the first link.

Remember to leave your name.

Year 5 Author Visit

Year 5 had the wonderful opportunity of visiting Highgate School this week to meet and listen to the author Ben Lyttleton. 'Football School' is a series of books created by Ben to engage children in reading through football facts! The books have been a huge success across Year 5 and have encouraged the children to think outside of the box regarding reading and football!

Should men and women be on mixed sports teams?

Year 5 have been writing arguments for and against the statement above this week. They have all put forward persuasive arguments for their points of view. What do you think?

Upcoming dates for your diary:

Monday 12th February- Friday 16th February	Half Term
Monday 19th February	Inset day
Thursday 22nd February	Boys Football Tournament—Market Road ,10am-3pm

Congratulations to our Stars of the Week!

Have a lovely half term,

The Upper Juniors Team
