Weekly Newsletter

Upper Juniors

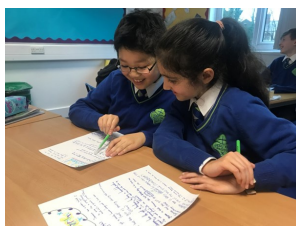

Dear Parents and Carers,

Spring Term has begun and the children have made an excellent start to all aspects of their learning. We are excited to begin our new topics this term, including Wild Water (Y5), Greece Lightning (Y6), as well as continuing with our important Maths and English work.

Mission Day in Year 5

Today as a school we celebrated Mission Day. The theme in Year 5 and 6 was 'The Dignity of the Human Person'. Year 5 undertook various activities one of which was a debate focussing on the statement, 'People care more for possessions than other people'. This brought up lots of interesting arguments and the children approached the subject with maturity and understanding.

Mission Day in Year 6

Year 6 today wrote persuasive letters, aiming to inform and persuade listeners to help those children around the world who are less fortunate than ourselves, are suffering from poverty, and are simply not receiving the care they need to have the best possible start in life. It was fantastic to see such sensible, mature suggestions for how this could be combatted. The children showed great empathy and are determined to make a difference! Well done Year 6!

Thank you!

A huge thank you to all those parents who came to celebrate the children's work in today's Stay and Learn. The children really do enjoy showcasing all of their talents to you!

Upcoming dates for your diary:

Friday 19th January	Stay and Learn 8:45-9:15.
---------------------	---------------------------

Congratulations to our Stars of the Week!

Have a lovely weekend,

The Upper Juniors Team
