Weekly Newsletter

Upper Juniors

Dear Parents and Carers,

Let's find out what our children have been getting up to this week...

Terrific Tanzanite!

Today Tanzanite Class performed their fantastic assembly. Their hearts were beating rapidly and they were relieved after they said their lines correctly—they didn't make any mistakes! The assembly was all about St Patrick. All those present will agree that the acting and the expression in their voices was delivered to a very high standard. Parents were beaming with pride and were amazed with what they had seen. Certainly a performance that will live long in the memory—well done Miss Loughney and Tanzanite Class!

Amazing Art!

This week, we celebrated 'Art Week' within our school. Year 6 produced some incredible pieces of work related to artist: Henri Matisse. The children used paint, coloured pastels, chalk.... just to name a few! The outcome was something Matisse himself would have been proud of! In Year 5, the children have been getting their hands messy as they have begun to create their very own Day of the Dead Masks. After spending time researching and designing the masks, the children were very eager to get started and are looking forward to painting them next week! We can't wait to begin our Mayan topic next term!
