Upper Juniors

Dear Parents and Carers,

Easter Assembly

Today we celebrated all of the children's amazing talents in a whole school assembly. From Sports to Reading to Maths, the children were applauded and rewarded for all of their hard work and achievement in the Spring Term. However, the assembly is also known for its legendary Easter raffle!! There were an amazing 19 prizes, with pupils and staff being amongst the lucky winners! However, a HUGE congratulations to Addison in Indigo Class, who bagged the first prize—a 10 egg hamper! We are sure he will not go hungry over the holidays!

Baking Buddies

At the beginning of this term, Year 5 met their Reception buddies. As the term has progressed, it has been wonderful to see their friendships blossom. To celebrate such a great term, all the children met their buddies and created Easter nests. 'They tasty egg-stremely good!' What a fantastic way to finish the term!

Maths Problem of the Week!

To see our problem of the week, visit our school website, select 'Maths News' and click on the first link. Remember to leave your name, and answer for a chance to win a prize!

A Time To Reflect.

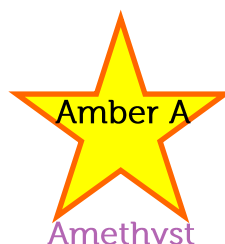

Year 6, as we approach this Easter break, it is imperative that we take the time to look around us and be grateful for what we have. It is a time to reflect on the good times and the bad times and ask God for the wisdom to deal with the latter.

To all pupils in Year 6, it is important to revise over Easter, but it is also vitally important to remember to re-charge your batteries; spend time with your family and loved ones; and come back refreshed for your final term at St. Joseph's.

Upcoming dates for your diary:

Monday 16th April.	Inset Day. The children are not to come into school!
Tuesday 17th April	First day back for all pupils.

Congratulations to our Stars of the Week!

Have a lovely weekend,

The Upper Juniors Team
