Weekly Newsletter
Upper Juniors

Dear Parents and Carers,

Let's find out what our children have been getting up to this week...

Buddies: Daily Mile

This week, Year 6 were once again treated to some time spent with their EYFS buddies. The children paired up with their little friends and participated in the Daily Mile! All of the children showed their physical prowess, with a combined total exceeding 300 laps of the playground being completed! WOW! Well done to all of the children in Year 6, yet again showing what superb role models they are.
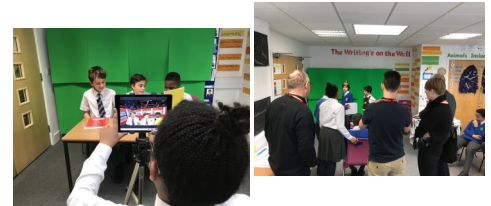

Maths Problem of the Week!

To see our problem of the week, visit our school website, select 'Maths News' and click on the first link. Remember to leave your name and answer for a chance to win a prize!

Danish Visit

On Thursday 25th January we were visited by teachers from Denmark keen to see how we use technology in the classroom. When they visited Year 6, they were treated to some extraordinary acting in front of a green screen using the DoInk Green Screen app. It was clear to see they were suitably impressed and Mr Groarke was asked on more than one occasion if the children had written their scripts by themselves. We definitely left them with some food for thought. Well done Year 6!

Spanish!

Over the past few weeks Year 5 and 6 have particularly enjoyed their Spanish lessons with their new Spanish teacher Senorita Glennon. The enthusiasm shown by the children has been fantastic and they are all budding linguists! Bien Hecho!

Upcoming dates for your diary:

Thursday 1st February	Drayton Park vs St. Josephs at Whittington Park, 4-5pm. The children must be collected by their relatives at the park.
Friday 2nd February	Indigo Class Assembly. All parents and relatives of the children involved are invited.
Friday 2nd February	Number Day! Children are invited to come into school wearing a number. There is no set way for how this should be done, so be as creative as you wish!

Congratulations to our Stars of the Week!
