

St Joseph's School Building Fund

What is this Fund?

St Joseph's School is blessed with outstanding facilities in a wonderful location. We are committed to ensuring that our classrooms and outdoor areas continue to be as safe and modern as possible to support your children's learning.

St Joseph's is a Voluntary Aided (VA) school, which means that our grounds and buildings are only partly funded by the Local Education Authority. The government requires all Catholic and other faith schools in England to provide 10% of these costs.

There are many demands and priorities for the school building and grounds and the more parent contributors we receive, the more we can do to enhance the school facilities for your child.

This means that for 2020/21, we must raise more than ever before, and **so we do ask and expect that every family makes a contribution to our School Building Fund**. We are asking every family to make a commitment to the School each year with a contribution of at least £60 (a minimum of £120 if two or more children attend the school).

What have we achieved in the past 5 years?

- We have created our amazing Library which is amongst the best in Islington.
- The School entrance and reception area have been revitalised.
- We created a state of the art outside learning area for our Early Years children and now have a show stopping zone for all our Nursery and Reception children.
- We have renovated and modernised the school kitchen.
- We have also repaired the school wall boundary and fences.
- Rebuilt the Early Years toilets to create a fresh and colourful zone.

What's Next?

This year, we would like to provide better sports equipment and maintain and update the playground areas by developing a MUGA pitch, including a multi-purpose building. Every pound you give will be carefully spent on selected improvements.

How can you help?

£60 a year equates to only £1.15 a week.

Payment can be made by a variety of means:
