

After School Club Newsletter

It's been an amazing term since our children returned to After School Club. It may have only been four weeks, but the children and staff have managed to pack in some amazing activities!! The children have thoroughly enjoyed being back with us.

Early Years

Since returning to school, our Early Years children have been very busy. Our wonderful Early Years team have managed to settle them all beautifully into After School Club, ensuring they have a wonderful, nurturing fun experience. They managed to celebrate St. Patrick's day, Mother's day and Easter!!

The children love to be outdoors, especially now the sun is shining!!

Key Stage 1

In Key Stage 1 the children have been very creative. Every evening there are opportunities to draw, paint and use their imagination. This term, they have been making masks, and some children have even managed to create their very own insect and bug home, constructed outside in the woodland area! We love being outside when the sun is shining, especially on the bikes and playing with the Swing ball!!

Key Stage 2

Key stage 2 children are amazing!!

Years 3 and 4 have used materials to create their own cushions and clutch bags, modelled by the lovey Matilda in year 4. So imaginative. The children, again love to be outside and have enjoyed many sporting activities such as Rounders, Football, Basketball to name but a few!!

Our 5 and 6 children particularly enjoy the football table and table tennis is a must for every night.

Competition Winners!

This term we held an Easter Egg design competition. The designs were amazing and left our guest judge Mrs Noronha with a very difficult job.

Congratulations to all our Winners!!

A REALLY BIG **thank you** to all of our After School Club parents who made purchases from our Amazon wish list. The children and staff have really enjoyed using our new resources.

The children enjoying their new Badminton Set!
