

Dear Governors,

Welcome to our Summer Term Governor Morning. We have incorporated a number of sessions this visit, with a focus on non-core areas that may possibly be chosen for Ofsted deep dives. Pupil voice is key and so included are opportunities to discuss with children their access to, engagement and progress in these subject areas. Our morning will focus on:

1. Meeting the finalists of the 'Young Speaker Challenge'
2. Reviewing the School SEF and School Action Plan 2022/23
3. Looking at Protected Characteristics
4. P.E, Computing and Art focus
