To access the READING CLOUD:

1. School website https://st-josephs.islington.sch.uk/
(follow the News tab to Library)

2. Library Blog link at https://ilovereadingatstjosephs.blogspot.com/

3. Reading Cloud URL link on any browser: https://u015640.microlibrarian.net/

4. Reading Cloud app by searching for Reading Cloud on the Android Play Store or the Apple App Store.

Android   Apple

Each child has a **username and password** which has been either given to them or sent home by their class teacher.

Username: 4-digit number
Password: Child's Birthday (ddmmyyyy)

The school name should already be displayed. If it isn't then start entering the school's postcode – N19 5NE.

Once you have logged into the desktop version of the site you will be able to then log into the app using the same logon and password.
On the app, you will need to enter the school's postcode to identify the correct school.

We hope that you find this facility both educational and enjoyable. If you have any questions please contact the school librarian, Mrs Rooney,
at office@st-josephs.islington.sch.uk

READING CLOUD

FOR PARENTS

What is Reading Cloud?

Reading cloud is a library management system with an innovative online pupil engagement community which helps schools promote reading for pleasure and helps children develop positive attitudes to reading to become lifelong readers.

Reading Cloud makes it easier for you to get involved with and support your child's reading from home. With Reading Cloud you can:

Access your Child's School Library
From any computer, iPhone, iPad, smartphone or tablet and help your child choose what to read next.

Track your Child's Reading Progress
View their past book loans and what they are currently reading.

Be sure your Child is Networking Safely*
Reading Cloud provides a safe secure environment for your child to learn social networking skills. They can create an online profile, chat with friends, blog and be part of the Reading Cloud community.

Find out what they like to Read
Help your child pick their next book with the help of "Who Next" which recommends books based on what they have previously read, looking at similar authors/genres.

Help your Child with Book Reviews
Review books from home and give them a star rating. This is a great feature for developing your child's literacy and writing skills.

Watch Author Video Clips
Watch video clips of authors talking about books with your child.

Access Quality eBooks*
Help your child choose from a huge selection of ebooks that they can read on smart phones, iPads or tablets. Multi-lingual titles are also available for children who have English as a second language, if they're available in your school library.

Create a Wish List
Search the school library catalogue to see which books are in stock before you buy new titles for your child at home.

Access Safe Websites Access approved, curriculum relevant and safe websites from home.

ASK YOUR SCHOOL LIBRARIAN FOR MORE INFORMATION!
